Turn Up the Heat This Summer to Make Your Party Go with a Bang!!

Greet your guests with a drink that will stay chilled thanks to the ingenious Drink Cooler from **Piet Hein!** The fantastic Superelippse shaped stainless steel cooler lasts twice as long as ice and won't dilute the drink.

Set Dip Dishes on your table beside bright Cup Cups. Fill with munchies of your choice. These wonderful products are designed with a brilliant suction base, so no matter how wobbly you become at the end of the night your nibbles will stay firmly in place!

Let **Absolut Form** give your party a Mediterranean feel with the fantastic new Tapas Tray from **Live!** Add dip to the chic dishes at either end and pile your favourite kebabs high on the tray to create a truly striking centrepiece for your barbeque.

Serve Olives with Eden's specially designed spoon and let the matching Salad Bowl and Servers provide a sensual and ingenious twist.

Complete the ultra-chic theme of the party and offer your guests refreshments from a fantastically original Wizard Rubber Bowl. The clever design of colourful synthetic rubber allows the bowls to be pulled and bent into several different shapes! Create a unique talking point and excuse for amusing party games!
